Alexis

Sexual Awakening

Alexis felt as though she had a new lease on life. After several years of being bored and unhappy in her marriage, her husband had finally dumped her for someone.... older than her? This wasn't quite the scenario she had expected, always assuming he would chase younger tail, but given his less than exciting personality, she figured he just couldn't find a young honey, willing to put up with his antics. Either way, she didn't give a fuck. She was single and had made sure to hit him hard, financially, with the divorce, so she was all set to pamper herself for a while.

Her first order of business was to get rid of anything that might remind her of the bad old days. This included her dowdy wardrobe and her uptight personality. It was finally time to live a little - or a lot.

The next order of business was to find guys to play with. No more serious relationships for Alexis, at least not for a very long time. Her husband had left a bad taste in her mouth and she needed some fresh cock for a different flavor.

This was so very unlike the old, cloistered Alexis. Hell, if she'd known all the nasty, good trouble she could get into, she might have dumped the bastard, herself, years earlier.

Alexis didn't seem to care that several of her friends tsked her, telling her that she was just making a complete fool of herself. Well, if looking foolish felt this heady and exciting, she'd take it over propriety and discretion any time, any day.

She'd been cheated out of hot sex for far too long, and now that she's the one in control, she's not about to stop. Women like this, you've gotta get them when they're up... and down... for absolutely anything. Don't let Alexis, and her hot, slutty body, get away.

Heidi

*Putting it Where
it Counts*

A photograph of a pregnant woman with long, wavy blonde hair. She is wearing a bright pink, textured halter-neck top. She is looking down at her bare pregnant belly with a gentle expression. Her hands are resting on her belly. The background is slightly out of focus, showing what appears to be a window with blinds.

Heidi really hadn't felt sexy since she'd had her baby. She hadn't really wanted kids, but her husband was dead set on it, and as she was dead set on him, she finally agreed, though she hated each and every second of the pregnancy, as well as the way her body swelled, then crumpled after the baby was born. To say that she was depressed would be an understatement, though her husband didn't seem to notice - he was far too busy coddling and showing off the newest addition to the family. At some point, Heidi started to feel as though he didn't even notice her anymore.

She'd gone from feeling like she was the luckiest woman in the world to feeling pretty damn unlucky and unloved. She hated this dip in confidence, the feeling that she wasn't special. Something had to give.

as Heidi Klum.

And he would be wrong.

their wife, there are 10 guys who do. And not only notice, but actually do something about it. Ready for any attention, any at all, Heidi wasn't hard to seduce.

All she needed someone who thought she was hot,
someone who actually wanted to screw her, make her
feel young again. Which is really what any woman
really wants

While her husband was off, being the perfect dad, she was busy being the perfect slut, stuffing her slit - and her self-esteem - with plenty of randy, eager cock.

A close-up photograph of a blonde woman with her hair pulled back, looking directly at the camera. She has a cigarette in her mouth and is topless. The background is a plain, light-colored wall.

if you'd like to tell Heidi just how sexy
she is, and then make her prove it, go
ahead and give her a call. She definitely
won't waste your time.

I'm not the trusting type. When my new girlfriend, Avon, said she was going to spend all of Sunday shopping by herself, I got suspicious; booked the day off work to follow her around and see what she was really up to.

Avon's a tall, slender girl with long, brown hair and long, silky legs. She's got a supermodel face to go with the body, the tits of a full-figure model. Naturally, I want to keep her all to myself. Naturally, I was sure the super-fox was picking up on some of the lines cast her way by male admirers.

Turns out, I could've saved an inch of rubber sole and a sick day, because the luscious babe spent the entire morning and afternoon browsing various strip malls and street shops, stopping only for a salad lunch and a bottle of water late in the afternoon. She'd probably wanted to spare me the ordeal of watching her shop (even though she hadn't), and I should've been grateful. But I wasn't. I still had my suspicions.

I was hanging out in a phone booth next to a bus stop when Avon finally sauntered out of a dress shop. It was six o'clock by this time, shadows forming, and I slipped out of the booth and made like a shadow, around the corner as she approached.

She collapsed with her shopping bags down onto the bus bench. I pulled out my cell and punched up the phone booth number, peering around the corner.

The phone rang and rang. Avon looked up and down the empty sidewalk. Then she

PHONEY LOVE

shrugged her soft shoulders and strolled over to the booth and glided inside.

"Hello?"

"I want to suck your tits, pretty lady," I growled, in a lower key than normal.

There was a long pause. I watched Avon in the lighted booth, holding her bags in one hand, the phone receiver in the other. I grinned, about to hang up, finally satisfied.

She breathed, "Go on."

I gritted my teeth, squeezing the cell-phone so hard I almost crushed it. "I'm going to tear off your blouse and grab onto your ripe, firm tits, squeeze them, fucking maul them, pinch and twist your hard, pointed nipples!"

The silence this time was broken by audible breathing – hers and mine.

"Mmm-hmm," she murmured.

The shopping bags were down on the ground now. She half-turned in the booth, away from the street, and I could see her face and body clearly. She bit her lip, as she slid her free hand up inside her blouse and onto one of her tits.

There was a soft, breathless moan.

I rasped, "Then I'm going to suck one of your nipples into my mouth and pull on it, bite into it, just about tear the fucking jutter right off your tit! Do the same to your other stiff nipple!"

Her hand moved in her blouse, squeezing her tit, pinching and rolling her nipple. The phone almost squirted right out of my sweating hand. The babe – my girlfriend – was feeling herself up right inside the public phone booth, getting off on some complete stranger talking dirty to her.

"I'm going to suck your nipples raw, grope your tits until their bruised. Then I'm going to drag my tongue down your chest and onto your stomach, into the trim, dark fur of your pussy."

"Yes!"

Avon slid her hand out of her blouse and into her skirt, over top of her pussy.

"Please, go on!" the cheating bitch whimpered, leaning back against the glass and clutching the phone and rubbing her pussy.

I went on, grimly. "I'm going to spread your dripping pink flaps with my fingers and stick my tongue right inside your pussy, fuck you with my tongue – back and forth inside your cunt!"

"You cunt," I added under my breath.

I could see two of her fingers knuckle-bulge her skirt, like she'd just plugged the pair right inside her pussy. "Tongue-fuck me!" she pleaded. "Eat me!"

She was finger-fucking herself, all right, cheating on me with some perverted guy who'd just happened to dial her number.

"I'm going to lick up and down your snatch," I gritted, "lapping your pussy,

swallowing your juices. You're so fucking wet for it! I'm licking you from your pink little pucker to your swollen pink button, over and over!"

"Oh, God, yes!"

Her hand was pumping back and forth under her skirt at lightning speed. She cradled the phone on her shoulder against her ear, thrusting her left hand into her blouse and playing with her tits. As she plunged her slit and rubbed her clit with her right hand.

Despite the brutal betrayal, my cock was a throbbing rod in my jeans. I ripped it out, hugging tight against the brick side of the corner store and glaring at Avon, fisting my dick. "I've got

your puffed-up clit in my mouth, sucking on it, slapping it with my tongue! Until-"

"I'm coming!" she cried, her body and tits jumping, fingers buried deep in her pussy.

I grunted and jerked, shooting rope after rope of white-hot, angry jizz out of my jacked-up cock.

"See you at my place tonight, Ian?" Avon suddenly asked, shocking me out of my dizzy funk. "So we can finish our interesting conversation – face-to-face?"

-Ian Unger

Janet

No-one's Perfect

To all appearances, Janet had always perfected whatever she attempted. She was one of those women who seemed impossible to ruffle, with never a hair out of place, makeup always perfectly applied - a super mom, whose kids never stepped out of line and whose husband was the envy of her female friends. Janet had secrets though. Her life wasn't as perfect as it seemed, at least when it came to her impulses. While she might seem able to handle anything that came at her, one thing she'd never been able to control were her lusts - especially when those lusts involved hot & hung young men.

When it came to young hunks, her calm exterior completely dissolved.

Perhaps it's because it gave her a sense of power, perhaps it's because it made her feel young again... or maybe she just loved a good, hard pounding, but whatever the case, if there was a guy she fancied, it was rare that she didn't get him, one way or another.

It's always difficult to say no to a strong-willed woman, but when that strong-willed woman looks like this - and can do the things she can with her mouth and cunt - it's next to impossible.

You have to give him credit for trying, but her husband just couldn't live up to her expectations. How could he live up to the vigor, passion and virility of men, 20 years his junior?

She never talked about her trysts. They were her dirty little secret, and her's alone. After all, she had a reputation to uphold, and she wasn't about to be known as a dirty cheater.

Now, this is the type of attention Janet really craves. And who wouldn't want to give it to her? Hook up with her and she promises she won't tell... just as long as you don't either.

Raquel

Age Doesn't Matter

Raquel had never really had any use for relationships. And why would she? She had plenty of lovers, plenty of sex, without all the messy hang-ups and sticky arguments and misunderstandings. She truly believed in the saying, "You're only as old as you act," which meant, considering her actions, she was 45, going on 18. Really, when it came to getting what she wanted and satisfying her needs, she was absolutely brazen and shameless. She thought that people wasted too much time, dancing around what they wanted. Her approach was very different. If she saw someone she wanted, she let them know, in no uncertain terms.

It was very rare that this approach didn't work, and if it didn't, Ice couldn't really be bothered. It was their loss, after all.

She was a total hedonist and believed in giving pleasure, but only after she'd had her own fill. She wasn't shy about making her needs known.

She had a special penchant for cute young things. They reminded her of how she used to be, so many years ago, as well as making her feel just a bit younger - being able to score with the best of them.

But at the end of the day, what she really loved, and craved more than anything, was a good, hard skewering, a cunt well and fully defiled.

A woman with long dark hair is lying down, her head tilted back and mouth open in a scream or shout. A black leather jacket is draped over her head and shoulders, with the collar and lapels visible. The background is a plain, light-colored wall.

With this many notches in her belt, you had to be truly extraordinary to impress her and keep her screaming. But even if a guy doesn't bring 200%, she never goes unsatisfied, one way or another.

Would you like to get on Ice's radar, have her show you the quality lovin' you've been missing all these years? She's wet and willing. It's not nice to keep a lady waitin'.

Morgen

*Practice
Makes
Perfection*

Morgen hadn't always looked like this. In fact, for years she'd been pretty unexceptional. She'd thrown herself into her career, which was her passion. Work came first, her private life... well, she really hadn't bothered too much about having one, which seemed to work for her. At least for a while. At some point, she realized she was facing middle age, with very little to show for all the years, save the approval of her colleagues. Perhaps it was time to start thinking about herself for a change. See if she could become one of those hot women she'd always envied.

She already had the body for it. Or, very nearly. She worked too many hours to have gotten the mid-age bulge, but her rack was seriously sub-par. This was nothing money couldn't fix.

Several thousand dollars, and 2 new, huge tits later, Morgen now had to work on her fuckability. She discovered it wasn't as easy as she expected, but she wasn't used to failing. Luckily, her mantra was "Practice makes perfect," and practice she certainly did.

She had to abandon her uptight personality. This was no time for hang-ups. Not surprisingly, once she internalized that concept, it was smooth sailing. A Morgan found out, any woman can be a slut, if given the proper incentive.

A part of her couldn't believe she'd wasted so many years of her life, ignoring this very primal part of herself. Another part of her was just happy that, at last, she was able to discover her full potential and indulge in all of her fantasies.

Morgen's got a lot of catching up to do, and she knows it. She also knows she'll enjoy being taught. This is a perfect opportunity for you, guys. When else are you going to find a woman this eager? Call now!

Rachel

A Bit of Southern Comfort

Rachel had always had two things going for her: her enormous jugs and her plump, oh-so fuckable ass. When it comes to tit and ass-fucks, Rachel's your girl. She's not one of these women who take themselves too seriously and really just try to have fun with their bodies. In her opinion, fucking isn't about performance, rather, it's about making yourself, and your partner, feel as good as possible.

It's this mentality, along with her girl next-door looks, that's kept Rachel one very popular lady. Well, that and the fact that she'll do just about anything. When it comes to fucking, she doesn't believe in making or keeping rules.

She'd been given tits which men and women, alike, lust for, and she liked to put them to good use. There's nothing like the feel of a hard shaft, gliding between her mounds.

Not that her cunt was lacking, in the least.
For Rachel, an around the world is where
it's at – the apex of sensual perfection.

Who couldn't help but get turned-on by a woman like this? A superb fucktrix in every way possible.

Come on, guys, you know you want a taste
of this. Each and every hole, free for the
asking, in any way you want. You'd be
a fool to ignore an opportunity like this.
Rachel's just a phone call away...

888-607-4437

Vannah

Picture Perfect

Vannah had been a model in her younger years, and had a hard time shaking the model mentality. She hadn't been a super-model or anything like that, but she'd done well enough for herself. She'd had her fair share of parties, glamour and men (and a few women) lusting after her. This is a seductive mix, and something which is difficult to forget or get over. If she was perfectly honest with herself, she'd have to admit that she missed it. Somehow, it's harder aging, when once, your entire existence was based upon your youthful looks and figure. She didn't want to be a dried-up has-been. She wanted to be that hot, young Vannah she remembered; the Vannah with the body, constructed for wet-dreams.

Now, she could either wallow in self-pity and spend her time thinking about what had been, or she could get up off her ass and create a new reality for herself - a reality that made allowances for the several years which had passed since she was the newest, hot "it-girl."

She decided on the latter. She might be a generation past her prime, but that doesn't mean that she doesn't still have what it takes. At least what it takes to be a phenomenal fuck.

She'd never lost her passion for fucking, nor her talent. To be sure, she'd developed more skills than just looking pretty for the camera. Being a model provides plenty of opportunity to delve deep into perversion.

She'd been a no-holes-barred type of gal, so why should that change? This is what she is: a full-fledged nympho.

How many of you can say you've banged a former model? Vannah's on the move and she isn't about to slow down anytime soon. This is a once in a lifetime chance, guys...

Older Women Fantasies

 or visit www.enchantrix.com

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and essentially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong—I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex", I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better.
